1. Two new 2-story buildings are under construction at the garrison at Gorna Malina (N 42-41, E 23-42), Novoseltsi Okoliya. These buildings are 50 meters long and are located on the south side of the road. They are nearly completed but not yet occupied.
2. Two additional 76.2-mm. ZIS antitank guns were observed in the gun storage area.
3. The men observed here were the infantry colors, but several artillery officers were also noted.

4. The barracks of the Razlog garrison are located south of the city, on the western edge of the road to Bansko (N 41-50, E 23-29). The entrance to the barracks is guarded by artillerymen. In the courtyard, one artillery officer and three artillerymen were observed. On the evening of 10 August 1955, six artillerymen and three rifle troops were observed.

5. The following legend refers to a sketch of the Razlog Garrison which appears on page 2:

- 1: Entrance;
- 2: Shed;
- 3: Five horse drawn vehicles;
- 4: One-story building;
- 5: Two-story building;
- 6: Miscellaneous unidentified buildings whose roofs can be observed from the road; and
- 7: One-story unidentified building, located next to a hill.
